YOUR GUIDE TO

Ole Miss

HELL YEAH!

Hotty Toddy is our cheer, but it's so much more. It's defined by moments of absolute joy. It's an exchange between kindred spirits. It's a response to a conquered challenge. It's your first day on campus. It's your last day. It's every time you return. It's an emotion felt only by those who've walked the hallowed grounds of the Grove. Yes, **Hotty Toddy** is our cheer, but it's so much more.

FAMILY *Bloodline*

DEFINES HOTTY TODDY

When you know, you know. Texas native Brooke Roberts was so sure she wanted to spend her college years at Ole Miss, she didn't even apply anywhere else. Her father was a Rebel, and she doesn't know a time in her life that wasn't covered in Red & Blue.

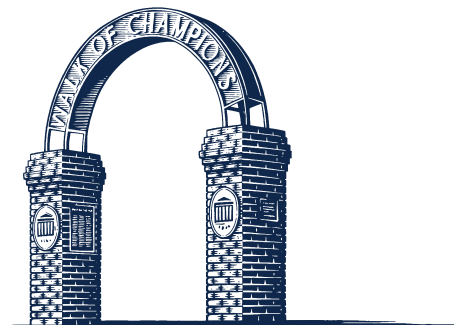

Four years have passed, and the marketing graduate has zero regrets. A fact she credits in large part to accountancy instructor Lou Burney, who has been a great influence for Brooke and countless other Rebels, and even teaches her classes the words to the Ole Miss fight song. Experiences like that and those Brooke found sitting on the front row at every Ole Miss sporting event reinforced her decision to be a Rebel.

Brooke knows Hotty Toddy.

AN ALTERED Path

DEFINES HOTTY TODDY

Coming to the University of Mississippi as a freshman was not Deterrian Jones' first choice, but after enjoying four years of many friendships and countless opportunities, and receiving a homecoming king crown, the Biloxi native realized that Ole Miss and Oxford fit his style.

Deterrian's bright personality is what led him to become an orientation leader and student ambassador. He has used these programs to show future students that their right choice might not always be their top choice.

Deterrian's time at Ole Miss is filled with an energy and style that will leave a lasting legacy.
