

YOUR LEGACY AWAITS.

2024-2025 Freshman Scholarships and Financial Aid for Nonresidents

A University of Mississippi education is an exceptional investment in your future. The Office of Financial Aid at Ole Miss can provide all of the information you need to understand the various financial aid programs available.

At Ole Miss, we offer everything from academic merit-based scholarships to need-based scholarships. One key thing about our scholarships is that some of them have different deadlines. To be considered for any scholarship, you must first apply to Ole Miss, and then submit the online Special Programs & Scholarship Application. Please be aware that the scholarship section should be completed by the deadline of January 10th.

Federal Aid Options

Some families may need to consider grants, student and parent loans, or student employment in addition to scholarships to help meet the cost of attending the university. It's important to understand how all types of financial aid work and what steps you can take now to plan ahead. We recommend that you complete the FAFSA each year at studentaid.gov for federal aid eligibility. Please visit finaid.olemiss.edu to review all options in detail and for a list of our scholarships.

Scholarships

FREE MONEY! Scholarships are awarded based on different factors including merit, financial need, and talent in areas such as academics, athletics, and music.

Grants

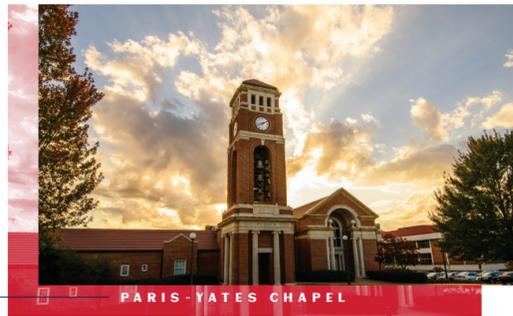

ALSO FREE MONEY! They usually require a demonstration of financial need, and are often provided by government sources.

Loans

Funds for students and parents that will eventually have to be repaid with interest.

Federal Work-Study

A part-time job opportunity (typically on-campus) for students who demonstrate financial need.

Special Programs

Students with outstanding academic and leadership records may wish to apply for admission and scholarships to one of our special programs (see chart on flip-side). Learn more at finaid.olemiss.edu/specialprogramsapplication/. Additional scholarships may be available through the Ole Miss ROTC programs (Army, Air Force, and Navy/Marines). Whether it's tailgating in the Grove or greeting a classmate with "Hotty Toddy," the spirit of Ole Miss runs deep. We're constantly asking ourselves if we're ready, even though we already know the answer – a resounding "Yes!" But where is the fun in keeping it to ourselves? So, yell it. Feel it. And above all, live it.

I'm going to broaden my horizons.
